Drug Discovery'10

Sponsored by

1st + 2nd September 2010 Ricoh Arena, Coventry, UK

ELRIG, SBS and BPS, would like to invite you to join us for what has become the biggest and most exciting Laboratory Automation and Drug Discovery event in the UK : Drug Discovery 2010.

Building on the highly successful events of the past 3 years, the objective of this conference is to provide a communication, education and networking opportunity for scientists engaged in early-phase drug discovery, whether in academia, biotech or industry. Attendees will hear world class speakers discussing the challenges and opportunities facing the drug discovery scientist. The scientific sessions will be complemented by a poster session, a vendor exhibition with around 100 exhibitors, and a number of training sessions.

• EIGHT full Scientific Sessions over 2 days •

Day 1

- Ion Channel Drug Discovery
- Strategies to reduce candidate Attrition
- Cells and Proteins for Drug Discovery
- Assay Development and Screening

Day 2

- High Throughput Molecular Biology
- Signalling Pathways: Receptors & Enzymes
- Drug Discovery Automation
- Diseases in the Developing World

DELEGATE REGISTRATION IS NOW OPEN at www.elrig.org

It is **FREE TO REGISTER** and the event is **FREE TO ATTEND** for delegates
